## Brand Icons

### ⚠ Warning!

Apparently, Adblock Plus can remove Font Awesome brand icons with their "Remove Social Media Buttons" setting. We will not use hacks to force them to display. Please **report an issue with Adblock Plus (<https://adblockplus.org/en/bugs>)** if you believe this to be an error. To work around this, you'll need to modify the social icon class names.

- Ⓐ adn (./icon/adn)
- \_ANDROID android (./icon/android)
